

## 2012 FUNd RAISER PROGRAM AGREEMENT

Participation in More's Piers' FUNd Raiser Program is available exclusively to schools. More's Piers reserves the sole discretion to determine participation eligibility of any school, club or school organization. The More's Piers FUNd Raiser Program is available January 2 – April 30. By signing below, your organization agrees to abide by the following terms:

- The organization's final cost of each all-day waterpark ticket is \$25.
- The organization's final cost of each amusement only ticket is \$33.
- The organization's final cost of each Splash and Ride combination ticket is \$42.
- The organization may resell each ticket at a price to be determined by the organization itself, but shall not exceed the 2012 general admission price.

2012 General Admission Prices:  
All-Day Waterpark - \$38  
Amusement Pier - \$50  
Splash and Ride Combination - \$64

- The duration of the organization's fundraising sale must not exceed four weeks.
- All fundraiser ticket orders must be submitted to More's Piers by April 30, 2012.

How More's Piers FUNd Raiser works:

Your school determines the ticket prices for your fundraiser (not to exceed the general admission rates.) Fundraiser tickets are priced to allow schools to generate revenue while providing their customers with a discount to the piers and waterparks.

Each student will receive an order form and money collection envelope. More's Piers has these forms readily available for your use. Please indicate desired quantities below. Once your sale is over, students return their order form and payments to the fundraiser coordinator at your school. Your fundraiser coordinator simply mails in the final ticket orders along with payment in full (in the form of a check from the school.) More's Piers will send you the tickets purchased within 10 business days.
