Raging Waters and Ocean Oasis Waterparks are 100% smoke-free with designated smoking areas available as indicated above.

BOARDWALK

On **select** rides, a single adult may ride **FREE** while accompanying a paying child who does not meet the ride's height requirement.

Parent Friendly Rides are illustrated below and designated by a sticker applied to the ride's height sign. All other rides are not included in this program and require each Guest to have a valid wristband or the proper number of tickets to ride. Guests must meet all other rider requirements.

BOARDWALK

Check out our Official Height Measurement Program!

Just visit Guest Services and ask to have your child's height officially measured. We will measure your child and issue a wristband noting his or her exact height. Please be aware that your child will still be measured at every ride. However, if there is a question concerning if your child meets the height requirement for the ride, the operator will check the wristband and allow your child to board if appropriate. For your safety, all rider requirements will be strictly enforced at all times.
